WORK EXPERIENCE

UBS, *Summer Investment Banking Analyst*, New York, NY

June 2025 - August 2025

- Trained in Debt Capital Markets team, assisting in origination and syndication of debt for investment grade firms
- Led an independent research initiative to educate team on structure and market dynamics of synthetic risk transfers

Bain and Co., *Building Entrepreneurial Leaders Internship*, New York, NY

May 2023 - May 2024

- Gained real-time exposure to the processes that Bain uses, included opportunity to meet and speak to consultants

Blinds To Go Inc., *Supply Chain Intern*, Lakewood, NJ

June 2022 - August 2022

- Worked directly with Plant Controller to audit, proposed change to bill of materials to align to actual production
- Bill of materials accuracy improved from 95% to 99+% and changes were used to open new plant in Saltillo, Mexico

Mountain Ridge Country Club, *Caddie*, West Caldwell, New Jersey

May 2022 - Present (Seasonal)

- Selected to train two new caddies on club procedure and essential job skills, mentoring newcomers into full-time roles

Independent Private Math Tutor, *Founder*, Montclair, NJ

June 2019 - August 2023

- Established private tutoring business and worked with 10+ students ranging from 4th to 12th grade, helping multiple students to place into advanced math programs and improve performance on standardized tests

PROJECTS

Zen Video Agency, *Founder*

July 2025 - Present

- Founded and scaled a video editing agency with five retainer clients, delivering tailored solutions for athletes, musicians, and brands across YouTube, Instagram and TikTok while managing two video editors
- Leveraged data-driven insights and content strategy from growing personal TikTok to 20K+ followers in 8 weeks to advise clients on audience growth and engagement, helping one client grow from 4K to 36K followers in two months

Live Call Translator for Discord, [Website](#)

July 2025 - September 2025

- Built a Discord live voice translator by designing the system, connecting speech recognition, translation, and audio overlay into one working pipeline
- Managed the full development process by solving API integration issues, reducing translation delay, and coordinating work to launch a real-time tool for multilingual communities

EXTRACURRICULAR ACTIVITIES (LEADERSHIP EXPERIENCE)

Yale Varsity Track and Field Team, *Sprinter/Jumper*, New Haven, CT

August 2022 – June 2025

- Organize multi-week lifting program geared towards summer strength improvement for short sprinters and jumpers
- Practice six times per week including commute to facilities off campus, lift twice per week
- 3th ranked all-time in Yale men's long jump list, Finished back-to-back years top 50 in NCAA Division I in long jump
